NOVEMBER 2024

OUR DIRECT SERVICE IS AVAILABLE FROM £1950*

REMOVAL

Removal from a local hospital, nursing home or local address to our private mortuary.

FUNERAL

Making all necessary arrangements and completion of documents for the unattended/direct cremation. This is arranged at the convenience of the funeral director and the crematorium.

N.B. registration of a death cannot be undertaken by the funeral director

Advice, support and guidance. Transportation in a suitable vehicle directly to the crematorium.

A choice of music may be played as the coffin enters the chapel otherwise we will select an appropriate piece of music.

COFFIN

Supply of a simple coffin in compliance with crematoria guidelines.

ASHES

We will collect your loved one's ashes in a simple container ready for your collection or we can arrange for scattering in the crematorium's garden of remembrance if desired.

PAYMENT

We request that all costs are paid in full before the cremation takes place.

Although this type of funeral has no mourners in attendance, everything is carried out with care, attention and respect from our experienced, qualified Funeral Director and her team.

*The unattended/direct crematorium price does not include a hearse or limousine, any viewing, administration of donations, flowers, order of service, newspaper notice, If any of these are requested then additional charges will be applicable.
